

## The **LOW COST** waste and recycling company

LO-CALL 1890 229 377

The Prepaid solution obviates the need for retailers to carry a stock of bin tags and bags. Customers are issued with a swipe card which can be uploaded at the Payzone terminal. As their bins are "lifted" by the waste operator, the credit on their account is reduced and can be topped up at any time.

## HOW IT WORKS

*You get a bin service for a monthly fee of €5 plus lift charges*

We will deliver 2 bins, 1 for general waste and 1 for recycling, to your home and set you up for your collection service.

Once set up you will then receive your "E-Tag", pictured opposite, which will allow you to top up your account at any PAYZONE Outlet in a similar fashion to how you top up your mobile phone or online at [www.wers.ie](http://www.wers.ie), Lo-call 1890 229377 or by cheque to WERS.

**Your account will then only be deducted when we empty your bin.  
The cost per lift being as follows:**

- **Monthly Service Charge €5**
- **WASTE Bin €10.50 per lift**
- **RECYCLING Bin €4.50 per lift**

To ensure the service remains fully operational you must have sufficient credit on your account or your bin will not be emptied. Whenever you top up or whenever the balance on your account reaches €15.00 or less we will send you a text to remind you to top up your account.

A surcharge will apply where exceptional weights are presented for collection  
Waste Black bin > 50kgs surcharge = €0.20 per kg  
Recycle Blue bin > 25kgs surcharge = €0.25 per kg

**This is the ultimate customer controlled waste solution – You only pay for what you use.**
